

How to login & study your course

(Guideline for new students)

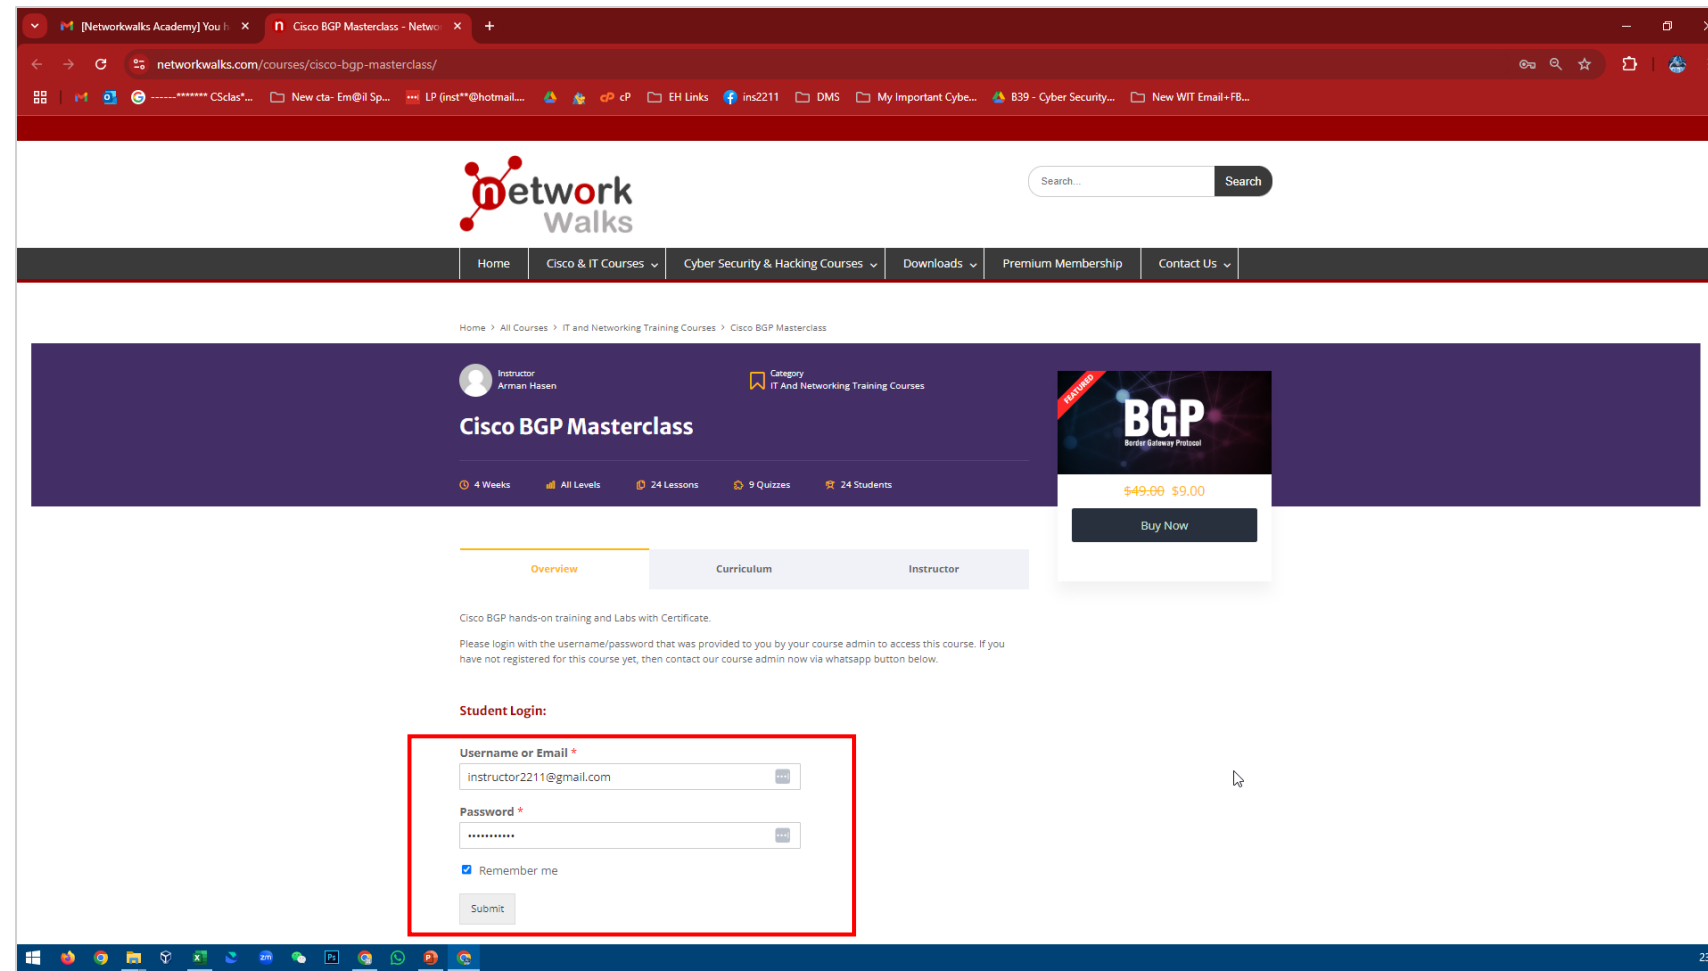

Networkwalks Academy

STEP 1

Open the course page link & login with your username & password that your course admin has created for you: <https://networkwalks.com/courses/cisco-bgp-masterclass/>

Contact the course admin if you have not received the student login detail yet or have not registered for the course yet via whatsapp or email:

Whatsapp: +27-788 220 600
Email: info@networkwalks.com

The screenshot shows the Network Walks website interface. At the top, there is a search bar and a navigation menu with options like Home, Cisco & IT Courses, Cyber Security & Hacking Courses, Downloads, Premium Membership, and Contact Us. The main content area displays the course details for 'Cisco BGP Masterclass', including the instructor's name (Arman Hasen), the category (IT And Networking Training Courses), and a 'Buy Now' button with a price of \$9.00 (originally \$49.00). Below the course details, there is a 'Student Login' section with a form containing fields for 'Username or Email' and 'Password', and a 'Remember me' checkbox. The form is highlighted with a red box.

STEP 2

After login, open the below link again & click on continue (as shown in below picture):

<https://networkwalks.com/courses/cisco-bgp-masterclass/>

The screenshot shows the Network Walks website interface. The main header includes the logo and a search bar. The navigation menu contains links for Home, Cisco & IT Courses, Cyber Security & Hacking Courses, Downloads, Premium Membership, and Contact Us. The course page for 'Cisco BGP Masterclass' is displayed, featuring the instructor's name (Arman Hasen), the category (IT And Networking Training Courses), and course details: 4 Weeks, All Levels, 24 Lessons, 9 Quizzes, and 24 Students. A 'Continue' button is highlighted with a red box. Below the button, a summary box shows: 'You started on: September 29, 2024', 'Course will end: October 27, 2024', 'Lessons completed: 0/24', 'Quizzes finished: 0/9', and 'Course progress: 0%'. The page also includes a 'Student Login' section with a message: 'Hi instructor2211, you're already logged in. Log out.' and two buttons: 'Contact course admin' and 'Register Now'.

STEP 3

Complete all lectures, exercises, labs & quizzes. Then attempt the final exam.

Once you pass the final exam, your course admin will verify everything & they will contact you & share the certificate with you.

The screenshot shows a web browser displaying the Networkwalks Academy course page for 'Cisco BGP Masterclass'. The URL is networkwalks.com/courses/cisco-bgp-masterclass/lessons/01-course-introduction-summary/. The page features a sidebar on the left with a search bar and a course outline. The main content area displays the title '01. Course introduction and Summary' and a video player. The video player shows a play button, a progress bar at 0:00 / 6:44, and a 'Complete' button below it. The sidebar outline includes the following items:

- Section1. BGP Course
 - 18. BGP Route Redistribution ✓
 - 19. iBGP Full mesh requirement & its solutions ✓
 - 20. Practice Lab - BGP Troubleshooting 1 ✓
- Section2. Mini Project (Configure A Real World Company Network)
