## Q: WHAT IS INCLUDED IN THIS COURSE?

A: This is a 6-month extensive course & we will cover all above monthly sub-courses in it, which are pre-requisites for all fields of IT & Cyber Security experts in today's world

## Q: WHAT WILL BE TIMING OF LIVE CLASSES IN THIS COURSE?

A: Live Instructor classes will be on every Saturday and Sunday at declared Time. Then students will complete their practical labs, assignments & exams in the remaining five days of every week.

Please refer to course page for your country's local time: <https://networkwalks.com/it-diploma-course/>

## Q: ARE THESE RECORDED VIDEOS OR LIVE ONLINE CLASSES WITH AN INSTRUCTOR?

A: These are Live classes with our highly qualified instructors who possess hands-on industry experience & who are at least Cisco CCIE level certified. You will also get recordings in case you miss the class due to any emergency.

## Q: WHAT IS THE TOTAL FEE OF THIS COURSE?

A: Please visit the course page for fee detail (there are different options).

## Q: ARE THERE ANY HIDDEN COSTS? DOES THE COURSE FEE COVER EVERYTHING INCLUDING EXAMS & CERTIFICATE?

A: There are no hidden costs. The mentioned course fee on course page covers everything & you don't have to pay anything to us during/after the course. You can also pay the fee in easy monthly installments (exc. promotions).

## Q: CAN I PAY THE COURSE FEE IN INSTALLMENTS?

A: Yes, you can also pay the fee in easy monthly installments as well, as mentioned above (exc. promotions). But we recommend to pay the fee in one time if your finance allow because you will be paying an extra processing/admin/conversion fee to your card company, bank & paypal. Therefore, it is better to pay the fee once, to save these extra costs & hassle every month. So that you can focus on learning & technical skills.

## Q: WILL I GET ANY DIGITAL BADGE & MERIT LETTER ON COMPLETION OF THIS COURSE?

A: Yes, you will get official digitally verifiable badges & merit letter from Cisco for relevant sub-courses.

Please refer to course page for detailed Questions/Answers & all other detail: <https://networkwalks.com/it-diploma-course>
